

DE Delaware Certification Board

There are many pathways to certification, and no “wrong door” for professionals to enter through. The Delaware Certification Board (DCB) has developed the following to outline the general requirements for certification, as well as the requirements to obtain other credentials. DCB offers credentials that help a professional progress along a career ladder. While some professionals may choose to stay at a certain level, progression through the ladder comes with the proper experience, education and examination. Professionals may begin wherever their current experience and education level permit. For more detailed requirements, please review the corresponding application on DCB’s website at www.decertboard.org. DCB offers several certifications:

- Certified Peer Recovery Specialist (CPRS)
- Certified Supervisor of Peer Specialists (CSPS)
- Certified Alcohol and Drug Counselor (CADC)
- Certified Advanced Alcohol and Drug Counselor (CAADC)
- Certified Clinical Supervisor (CCS)

	CPRS	CSPS	CADC	CAADC	CCS
