RECERTIFICATION INFORMATION FOR ALL CREDENTIALS

- 1. Recertification record keeping is the responsibility of the certified professional. All recertification documents and application forms should be submitted together. Keep copies of everything submitted.
- 2. Education must be acquired no earlier than two years prior to the applicant's current expiration date.
- 3. Recertification is considered late if you are mailing it and it is postmarked after your expiration date. Recertification is considered late if you are submitting it electronically and it is after your expiration date. If recertification is not completed prior to the expiration date, it is considered lapsed.
- 4. Education is defined as formal, structured instruction in the form of workshops, seminars, institutes, in-services, and college/university credit courses and distance learning/online courses.

AUDITING

Documentation of continuing education is only required for recertification if a certified professional is randomly selected for review, or audit of their education hours. Audits occur twice per year (every January and July).

Those selected for audit will be notified and must submit documentation of the appropriate number of hours of education/training that they completed in the prior two-year period. Since the audit process is random, individuals may be selected for audit multiple times.

Non-compliance with the required education/training for recertification is viewed as a breach of professional ethics.

DO NOT SEND IN COPIES OF YOUR CERTIFICATES OF COMPLETION FOR TRAININGS WITH YOUR RECERTIFICATION APPLICATION. THESE WILL NOT BE REVIEWED AT THE TIME OF YOUR RECERTIFICATION AND WILL BE DISCARDED. YOU WILL ONLY SEND COPIES OF TRAINING CERTIFICATES IF YOU ARE RANDOMLY SELECTED FOR A RECERTIFICATION AUDIT.

EDUCATION INFORMATION

You can use the same education for multiple credentials under the following conditions: they are in the correct two-year time frame (example if your credential was issued on 1/1/2021 and expires on 1/1/2023, you can use education after 1/1/2021) and it is relevant to the education requirements.

College/university course may be used. A three-college credit college course equals 45 hours.

Trainings, workshops, seminars, and conferences offered by professional associations, treatment providers, governmental agencies may be used.

DCB does not accept general staff meetings, supervision, staff rounds, or case management as education.

Distance learning/online courses/webinars are acceptable. There is no limit to the number of distance learning/online courses that can be used.

Acceptable documentation of education must include the professional's name, title, date, number of hours and the organization. Training registration forms and/or training sign-in sheets are not acceptable forms of documentation.

Training must be non-repetitive meaning the same training cannot be claimed more than one time even if the training is taken on different dates from different providers.

Official employer training tracking system/learning management system reports may be acceptable forms of documentation for education/training provided that the report contains the name of the employee/applicant, titles of each training, dates of each training, the number of hours of each training, and is signed by the applicant's supervisor.

Published work written by the certified professional and published by a professional publishing house may meet up to 10 hours of education. A copy of the published work must be submitted along with an education approval application.

A certified professional who provides education to other professionals may receive hours toward their own recertification. The presenter will receive the same number of hours as the participant; and the presentation can be used for credit once in each recertification period, provided the training has received DCB education approval. Training provided by a certified professional must also be documented by sponsoring organization in the same manner as participant documentation (i.e., certificate, letter of participation).

LAPSED CREDENTIAL

A credential is valid for a two-year period. If your credential lapses, you have 12 months from your expiration date to recertify. After 12 months, you must reapply for your credential(s) and complete all the requirements for initial certification. *To renew a lapsed credential:* complete the recertification application with the appropriate requirements and fee(s), plus the lapsed fee of \$50.

FOR PROFESSIONALS HOLDING MULTIPLE DCB CERTIFICATIONS

If you have more than one credential, you pay the recertification fee for your original credential plus \$50 each for all other credentials you are recertifying. If your additional credentials do not have the same expiration date as your primary credential, you will submit a second recertification application at the time they expire with the \$50 per credential recertification fee.

NAME CHANGES

Name changes can be made at any time. Official, legal documentation of the name change is required. A copy of the legal documentation must be mailed, emailed, or faxed to DCB. Acceptable documentation includes copies of marriage license, divorce decrees, etc. Names on certificates cannot be changed until documentation is provided. Once documentation of a name change has been submitted to DCB, a new certificate will be sent to the certified professional.

EXPIRATION DATE CHANGE

If you hold multiple DCB credentials, you can request to change the expiration date(s) and recertify your credentials at the same time. Recertification is made easier, as you are able to use the same education (if applicable) for all your credentials. This is optional. A written request along with the fee of \$25 per credential must be submitted with the recertification application of your primary certification.

INACTIVE & EMERITUS STATUS

Inactive Status: For certified professionals, who are experiencing extenuating circumstances, a means to put their certification on hold and avoid paying lapsed fees, retesting (if applicable) and the reapplication process. Inactive status is for certified professionals who expect to be inactive for a minimum of six months. **Insufficient hours of continuing education will not be accepted as rationale for requesting Inactive Status.**

Emeritus Status: For certified professionals who are retired from the work force but wish to maintain a connection to DCB.

Approval of each status is at the discretion of DCB. Applicants will be notified by DCB of the approval or denial via email approximately 7-10 business days after the request is received. For more information, visit www.decertboard.org and click on Recertification. More information is on the left side of the page.
